I understand that I am required to remain on the Snow Creek premises while my child(ren) is(are) participating in the Snow Monster lesson. I may ski/snowboard or tube myself, while the lesson is in progress if I wish to purchase a ticket to do so, however, I must return to the Snow Monster building promptly at 12:30 or 4:30, depending on the session my child(ren) is(are) enrolled in to pick them up.

I also understand that my child(ren) will be allowed to continue to use the rental equipment they have been issued once the Snow Monster Lesson ends and can use the equipment until the end of the Snow Creek All Day Ski Session. We are responsible for returning the rental equipment to the ski lodge when we are finished with it.
